

Tour 01 – Tracking Tour in the Pantanal – 3 days / 2 nights

Day 1: Cuiabá Airport – UeSo Pantanal Lodge

Once you've collected your luggage at Cuiabá Airport, our guide will be waiting for you at the exit with a «UeSo Pantanal Lodge» sign. From there, we'll head off – about 100 km to Poconé, followed by around 38 km on the famous Transpantaneira. With a bit of luck, you'll already spot some wildlife along the way – caimans, capybaras, maybe jabiru storks and a variety of bird species. After checking in at the lodge, you can enjoy a buffet meal depending on your arrival time. **Please note:** If you arrive in Cuiabá after 10:30 am, lunch will no longer be available; after 5:30 pm, no dinner will be served. In that case, we'll be happy to provide you with a small packed meal.

After lunch, there's time for a siesta before we head out on a guided walk, giving you the chance to discover even more animals. If you like, you can take a sack of food (corn/salt) to spread along the forest trail. On request, we also offer a night safari on foot to observe nocturnal wildlife. Don't forget your flashlight!

Day 2: UeSo Pantanal Lodge

Early in the morning, around 5:00 am, we'll go on a sunrise walk before breakfast. Grab a cup of coffee or tea beforehand and take in the magic of the Pantanal waking up – a truly fascinating natural experience. After breakfast, a mule or horseback ride awaits – the traditional mode of transport of the Pantaneiros. This activity is also suitable for beginners. You're welcome to help with saddling and unsaddling your animal. Riding helmets are, of course, provided.

In the afternoon, we'll take a boat tour on the nearby Rio Novo or Rio Claro. We deliberately use paddles rather than motors – you're welcome to join in. This silent way of travel helps avoid scaring off shy animals. With a bit of luck, you might encounter a family of giant otters, lots of birds, or even a tapir or other mammals. Life jackets are naturally included.

Day 3: UeSo Pantanal Lodge – Cuiabá Airport

After a hearty breakfast buffet at the UeSo Pantanal, you'll be transferred to the airport. If your flight is scheduled for the afternoon, you'll have the option of joining a morning walk or boat tour. In this case, the transfer will take place after lunch.

Note:

All planned activities will be carried out, but the order may change for organizational reasons.

Were you completely satisfied, or do you have suggestions for improvement?
